Dear Sir,

With reference to the above we would like to inform you that while using this products in TWL-3036-50 ZL, L & T (90-3), Loader & Excavator, Terex Pegson, Mobile Crusher-3 following points have been observed :

1. While using the above products in loader and excavator it is found that the grease is lasting for 7 days as a result we are saving our manpower and time as a result is increasing the machine working capacity.
2. While using the above products in mobile crusher it is found that the grease is lasting for 20 days as a result we are saving our manpower and time as a result is increasing the machine working capacity and efficiency. As a result production is also increasing.

Thanking you
Your's faithfully
